

EASYDET CRYSTAL

RF DUAL PEDESTAL SYSTEM

Reliable and proven RF (Radio-Frequency) two-pedestal system with good detection of tags and adhesive labels. The Easydet system is suitable for most environments and has excellent resistance to challenging environments and other article surveillance systems.

The RF Easydet system is ideal for retailers located in shopping centers, who are looking for a standard loss prevention system that provides good, reliable protection.

The high-quality acrylic pedestal is designed to meet the stylish and modern requirements of premium retailers while still maintaining the cost-effectiveness of the Easydet system.
